

Carrier Sekani
Family Services

QUALITY SERVICE AND DEVELOPMENT MANAGER

PRINCE GEORGE AND AREA

POSTED UNTIL FILLED

Carrier Sekani Family Services (CSFS) has an opening for a Quality Service and Development Manager in the Child and Family Services program. This is an exciting opportunity for a leader with vision, energy, and commitment, to embark with us on a new direction in terms of strength-based service delivery.

As a Quality Service and Development Manager, you will support and direct our delegated programs, and analyze policies in addition to interpreting and monitoring standards of practice within the agency.

Education requirements

- Master's Degree in Social Work, Educational Counselling, Clinical Psychology, Child and Youth Care, or related discipline or;
- Bachelor of Social Work degree with extensive related experience;
- Registration (or eligible to register) with a professional body in BC.

The successful applicant has

- An appropriate breadth and depth of knowledge of governing legislative requirements; Working knowledge with ability to accurately interpret and apply legislative requirements, including but not limited to Child Family and Community Services Act (CFCSA), Regulations and Court Rules; Adoption Act and Regulations; Family Relations Act; Aboriginal Operational and Practice Standards Indicators (AOPSI); Family and Child Services Policy Manual; Practice Standards for Guardianship; Protocols for Foster Homes)
- Experience operating within quality standards and applying best practices under the CFCSA, the AOPSI, and under the direction of the Child and Family Services Director
- Knowledge of risk management and strength-based service delivery best practices
- Experience providing holistic and culturally relevant best practices in social services to children, youth, and families
- Advanced communication and interpersonal skills; able to lead a multi-disciplinary team
- Skills to provide useful technical and analytical expertise, identify issues and develop strategies to address them
- Networking and resource building skills
- Proficient use of computer applications, including MS Office, Internet, email, and database
- Knowledge and understanding of data collection systems, data interpretation and conversion to useful information
- Knowledge and understanding of historical and contemporary political, social, health, economic, and justice issues faced by First Nations

We offer a healthy work-life balance, great benefits, and competitive salaries. Our workers are delegated under the CFCSA and are guided by AOPSI. To learn more, visit www.csfs.org.

Applicants are invited to submit a resume and cover letter to

Email: hr@csfs.org
