

Virtual Scavenger Hunt!

The Directors Forum is celebrating the diversity and talents of Indigenous children and youth in care throughout BC during Children and Youth In Care Week. Due to the pandemic this year, we have not been able to plan social gatherings to acknowledge children and youth in-care. With the help of youth and partners, we decided to host a province wide scavenger hunt with some AMAZING prizes. Please forward this scavenger hunt information to all children and youth serving staff, caregivers, and children/youth.
