

Dzee Family Violence Support Services

Dzee (“Heart”) Family Violence Support Services is an extension of the Dzee Ba’yugh (“Heart House”) Services that offers prevention, outreach, and aftercare services to women who have, or are at risk of violence from any of the 11 member Nations Carrier Sekani Family Services (CSFS) serves, or are current clients accessing shelter services at Dzee Ba’yugh.

Support Services

Located in Burns Lake, the Dzee Family Violence Support Services offers Culturally appropriate and trauma-informed prevention and aftercare services including counselling, health, healing and traditional workshops, support groups, outreach, life skills and support to access community resources.

**CARRIER SEKANI
FAMILY SERVICES**

Dzee Family Violence Support Services

Our program is here to:

Support and advocate for women who have experienced violence or are at risk of violence and are part of the 11 member Nations CSFS serves.

Women seeking to access family violence support services through CSFS in Burns Lake can learn about the programs and workshops we offer by calling or visiting the Dzee office between 8:30 am and 4:30 pm, Monday to Friday.
